

# Give your Brokers Access to the Best AMC in Each Market

Improve operational efficiency

Enhance communication among all parties

Gain market share

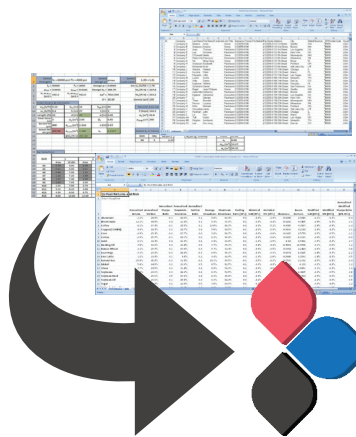

AppraisalQPM gives your brokers compliant access to the BEST performing AMC in their market.

## How it Works

**1** Information on appraiser performance is fed to AppraisalQPM

**2** AppraisalQPM organizes the data into a user-friendly dashboard and reports are available on demand

**3** AppraisalQPM's proprietary algorithm selects the best AMC

# AppraisalQPM

Enter your property address, select loan type and property type, and AppraisalQPM will give you the best AMC in the market!

Analytics at the push of a button help maintain compliance with regulatory guidelines. AppraisalQPM makes it easy for you to streamline and standardize performance evaluation, quantitatively select the best AMC, and stay compliant.
